

Mission Statement

Running Wild Elite is a Quad Cities based team with our heart and soul devoted to taking care of our local runners. Our vision is to become a staple of the entire Midwest running community and beyond. We are a club for multiple competitive ability levels, with hopes of creating a new sense of community within the running scene. From travel stipends to USATF events for elite athletes, we will bring a competitive nature that has been missing from our local events.

*Sponsorship recognition would be good for **ONE YEAR** following initial gift.
